

SIGNAL SUPPLY CATALOG

Organizational Spare Parts for

Switchboard BD-72

Section SIG 7 lists the authorized allowance of spare parts and major components for first and second echelon using organizations. This section is comprised of 2 parts as follows:

- a. Authorized maintenance parts to be kept on hand by first and second echelon organizations.
- b. Basic issue items; a list of the component parts of the equipment showing the quantities of each that comprise a complete operating unit.

Replenishment of organizational stocks will be accomplished by requisition of individual items on the W.D., A.G.O. Form 446, "Property Issue Slip." Equipment item numbers should be shown on all requisitions at the end of the Nomenclature and will serve as additional item identification.

EXPENDABILITY

Expendability of individual items will be in accordance with Signal Supply Catalog SIG 5 dated 1 July 1944 which shows expendability of all items stored and issued by the Signal Corps.
